WHEREAS:

The Customer wants to be provided by GTS with the "GTS Voice" service ("the Service") in compliance with the General Terms and Conditions ("GTC") and with this Contract;

GTS wants to provide the Customer with the "GTS Voice" service in compliance with the GTC and with this Contract;

The provisions of this Contract shall be supplemented with the provisions of the GTC.

Both the GTC and this Contract were made available to the Customer before signing this Contract. The name "Customer" from this Contract is the same as that of "User" from the GTC, and that of "GTC" is the same with that of "Provider" from the same document.

AGREE as follows:

1. PURPOSE OF THE CONTRACT

- 1.1. The purpose of this Contract is the provision of the GTS Voice Service to the Customer, which would allow the Customer to make and receive national and international telephone calls, towards and from telephone networks with which GTS has signed active interconnection agreements, as well as the insurance of operation of the above mentioned Service.
- 1.2. The Customer is not entitled to transmit national or international traffic towards the national or international telephone networks through the GTS Voice Service provided by GTS, according to this Contract. In case such provision shall be breached, art. 6.1. c) of this Contract corroborated with Art. 6.1.7. from the GTC shall be applied, and GTS reserves its right to request compensation.

2. DURATION OF THE CONTRACT

- 2.1. This Contract shall enter into force on its signing date and, under the reserve of fulfillment of the terms and conditions set out in the GTC and this Contract, it shall remain in force for a period of time of the Service's commissioning (the "Initial Term").

 MONTHS from the date of the Service's commissioning (the "Initial Term").
- 2.2. If neither Party notifies in writing the other Party, within 90 (ninety) days prior to the Contract's expiry date, of the fact that it wants the termination of the Contract on the expiry of the Initial Term or of any of the Extension Periods, and, implicitly, the termination of the Services' provision, this Contract shall be automatically extended for periods of two years ("Extension Periods").
- 2.3. For the entire duration of this Contract, the Parties agree not to terminate without cause the Contract, in whole or in part, otherwise the provisions of Art. 6.2. from this Contract and of Art. 12.4 from the GTC shall apply automatically.

3. SERVICE'S TARIFF AND PAYMENT METHODS

- 3.1. Voice packets are available for national fix networks, international fix networks from UE, SUA, Canada, national mobile networks. For international destinations that are not included in the packets will be applied tariffs per minute from the point b.) from Annex of tariffs to the Contract. After termination of minutes included in the packets, will be applied tariffs per minute from point a.) from Annex of tariffs for national destinations and tariffs per minute from point b.) from Annex of tariffs for international destinations.
- 3.2. The monthly tariffs for the phone numbers allocated to TelVerde service do not contain any minutes included. In addition to the monthly tariff, the Customer will be billed for the incoming voice traffic on the TelVerde numbers ("consumption"). The tariffs are mentioned in Annex of tariffs to the Contract.
- 3.3. The monthly tariffs for the phone numbers allocated to Short Number service do not contain any minutes included. In addition to the monthly tariff, the Customer will be billed for the outgoing voice traffic on the Short Number numbers ("consumption"). The tariffs are mentioned in Annex of tariffs to the Contract.
- 3.4. The monthly tariffs for the fax numbers allocated to GTS Virtual Fax service do not contain any minutes included. In addition to the monthly tariff, the Customer will be billed for the outgoing voice traffic ("consumption"). The tariffs for outgoing minutes are the same with GTS Voice service and are mentioned in Annex of tariffs to the Contract.
- 3.5. The provisions of art. 4.1 (inclusive 4.1.1, 4.1.2 and 4.1.3) from art. "4. Tariffs and Payment Methods" from the GTC become inoperable and are replaced for the purpose of this Contract with the following clauses which are specific to the Service:
 - 4.1. The following invoicing principles shall be applied to the Service:
 - 4.1.1. the applicable non-recurrent tariffs shall be invoiced by the GTS in advance of the date of the Service's provision, the service's provision being conditioned by the payment of such tariffs; the payment term of such tariffs shall be 5 (five) business days as calculated from the Contract's signing date;
 - 4.1.2. the applicable recurrent tariffs also named "subscription" shall be invoiced monthly in advance; and
 - 4.1.3. the tariffs applicable depending on the usage level ("consumption") shall be invoiced monthly retroactively, for the previous month, representing the difference between the final value of the used Services, as calculated based on the tariffs per minute (Tariffs) and the Subscription for Voice Traffic, invoiced in advance.
 - 4.1.4. GTS reserves its right to invoice the Customer at any moment with any amount estimated based on the consumption until that day of the month (to secure itself of the full payment of the provided services). The invoice shall be due in 3 business days after its issuance date. If the Customer shall not send the payment confirmation to GTS within 3 business days from the invoice's issuance date, GTS reserves its right to suspend the provision of the services to the Customer until the payment is completed.
 - 4.1.5. The tariffs applicable to telephone calls are those provided within the List of Tariffs per Minute which is Annex of tariffs of this Contract.
 - 4.1.6. The charging of the Customer by GTS shall be made based on the data registered in the system of the latter. The value of each call shall be calculated based on its duration, as follows:
 - 4.1.6.1. National telephone traffic towards any landline or mobile national telephone network: the chargeable duration shall be a multiple of 60 seconds of the calls' duration, by rounding up the fractions which are lower than this value.
 - 4.1.6.2. International telephone traffic towards any landline or mobile international telephone network:
 - For calls with a duration of up to 60 (sixty) seconds, a full minute shall be paid.
 - For calls with a duration exceeding 1 (one) minute, the payable duration is considered in seconds, by calculating pro rata of the tariff per minute related to the destination.
 - 4.1.6.3. In case of TelVerde service, national telephone traffic received from any landline or mobile national telephone network: the chargeable duration shall be a multiple of 60 seconds of the calls' duration, by rounding up the fractions which are lower than this value.
 - 4.1.7. In case of minutes included in the monthly fee, the telephone traffic performed monthly by the Customer towards any destination national and international having a value equal with the Total of the recurrent tariffs for Voice Traffic, paid by the Customer, shall be considered as included in the subscription and shall not be charged.
 - 4.1.8. In case of minutes included in the monthly fee, if the monthly telephone traffic performed by the Customer has a value which is lower than the Total of the recurrent tariffs for Voice Traffic paid by the Customer, the resulted difference in value shall not be carried forward.
 - 4.1.9. Any new destination, national and / or international, that will be included in the GTS destination portfolio for GTS Voice service after the date of signing the Contract, will be published by GTS on the portal

GTS Telecom srl,		
Share Capital RON 7,368	mil; J40/19010/1993;	RO4419886;

service.gtstelecom.ro, to which the Customer has access from the Contract's commencement date. GTS will have the right to bill all the Customer's calls made to the new destinations, which are not mentioned in the Contract, based on the tariffs mentioned on the portal. Adding new destinations will not be considered as unilateral Contract amendment as per the provisions of art. 4.7 from GTC, being accepted by the Customer. However, in case of discrepancies (e.g. doubled destinations with different tariffs) between the destinations mentioned in the Contract and destinations from the portal, the ones from the Contract shall prevail.

4. DATE OF COMMENCEMENT OF SERVICE DELIVERY

- 4.1. The Parties agree as a date for the commencement of Service delivery the date when GTS sends a "Notification of opening the Voice GTS Service". When the Service is commissioned, GTS shall send to the Customer the document "Service Opening Notification". The Customer should accept the Service or notify GTS of its non-functionality within 3 (three) business days after the moment when the document "Service Opening Notification" is received via fax.
- 4.2. If the document "Service Opening Notification" is not returned to GTS and signed for confirmation within 3 (three) business days, GTS shall consider as a date of the "Service Opening Notification" document the date when the Contract entered into force and the date when the recurrent tariffs applicable to the Service are in force.
- 4.3. If the Service is not compliant with the technical parameters mentioned within the Contract, the Customer should send to GTS the document "Service Opening Notification" having attached the reason for the Service refusal, which should be argued at length, in writing, grounded and not related to Customer's fault.
- 4.4. If the Service is compliant with the parameters mentioned within the technical Annex and the reason is different than the parameters mentioned within the Contract, the Service shall be considered by both Parties as delivered, and GTS shall consider the date of the document "Service Opening Notification" as the date of commencement of the Contract and the date when the recurrent tariffs applicable to the Service are in force.

5. NOTIFICATIONS/COMMUNICATIONS

Any communication which would be performed in relation to the aspects regulated by this Contract should be sent using the identification data mentioned within Annex C.

6. SPECIAL PROVISIONS

- 6.1. Exclusively for the purpose of this Contract:
- a) Any reference to SLA or NCGS in the "General Terms and Conditions" document shall be considered as inapplicable;
- b) The term provided at art. 6.1.2 from the GTC shall be replaced with a new term of 3 (three) calendar days after the receipt of the written notification;
- c) A new article, 6.1.7., shall be added to article 6.1. from the GTC, with the following reading: "is found that the Customer transmitted international traffic towards the national telephone networks (presented as being national or without CLI) through the Voice Service provided by GTS as per this Contract."
- 6.2. As an exception to the provisions of art. 12.3 from the GTC, it is hereby agreed that, if the Customer unilaterally terminates this Contract, or if GTS terminates this Contract according to Art. 12.2 from the GTC, the Customer should pay all the tariffs for the Services delivered up to the moment of termination, including the date of the Contract termination, plus an amount equal to 6 (six) times the value of the invoice for the last month of Service delivery. This clause has the nature of a penalty clause.
 - Any reference to the provisions of art. 12.3. from the GTC should be construed in light of the exception mentioned within the above paragraph.
- 6.3. The same amount as the one agreed at art. 6.2 from above should also be paid by the Customer if it ports, entirely or partially, its numbers from the GTS network without the fulfillment of the term from art. 2.2. of this Contract.
- 6.4. Acceptable Usage Policy: If the Customer acquired a prepaid minute package and uses more than 50% of the minutes to mobile destinations from Romania, GTS will apply for the volume exceeding 50%, considered as an acceptable usage policy, the per minute tariffs as mentioned in Annex Tariff List for National destinations.

7. GENERAL

- 7.1. The Customer agrees for GTS to be able to process data related to Service delivery, mainly data related to Service subscribers only for the purpose of performance of its activity, and GTS may include the Customer's name in its reference list.
- 7.2. The Customer undertakes to inform GTS, according to art. 14.7 from the GTC, in writing, of all the changes of its identification data, 7 days before they arise. If the Customer fails to fulfil such obligation, it shall be responsible for the damages caused to GTS.
- 7.3. The Customer agrees for its identification data to be included within subscribers' registers or information services regarding the subscribers 1:

GTS Telecom srl, Share Capital RON 7,368 mil; J40/19010/1993; RO4419886;
